TUITION

Tuition is calculated for a full season of weekly classes (September thru June) and then divided into 3 equal Trimester payments due September 12th, January 7th, and April 3rd. Therefore, tuition payments will remain the same each Trimester regardless of the number of classes in a Trimester. Classes range from 45 minutes to 70 minutes. Students are not charged for classes during Holiday closings. The base price for 1 class is \$48 a month. Discounts in price per class begin with 3 classes a week and increases with each additional class. *Family rates for multiple classes include siblings living in the same household.* (See chart below)

	Sept.11th	Jan 8th	April 2nd
1 Class	\$160	\$160	\$160

For the serious dancer! If you are taking more than a total of six classes per week, your tuition will be capped at \$900 per Trimester. Please keep in mind that all classes taken must be age and level appropriate, and you must commit to attend the classes every week! Also, participation in recital dances is up to the teacher's discretion. Therefore, you will not necessarily do a dance for every class you take. (DISCOUNT DOES NOT APPLY TO dancers in the Assistant teacher program!)

*There will be a 5% discount if the entire year's tuition is paid by September 17th (does not apply with any other discounts).

*Tuition payments are considered late 2 weeks after the due date. There will be a 15% late charge automatically added to your bill. Late notices and reminders will be sent via email. There is a \$20 return check fee.

***There will be no refunds for tuition payment.** Make up classes for sickness must be taken within 2 weeks of the absence and can be at the same level or lower. Contact the office for available make up classes. Attendance is very important so the student does not get behind in class. Please call the studio if you are unable to attend class.

*Tuition is based on classes of 6 or more students. All classes are subject to change due to low enrollment. We ask that parents be cooperative and understanding while we find the best class for your child. **Any change in class based on level or ability will be made by October 15th.** Our teaching Staff is aware that students can move levels based on the teacher's recommendation.

***Costume payment is due by 1:00pm Saturday, November 18th.** A \$38 Recital fee will be added. This fee will include a 2018 Recital T Shirt. **No refunds will be issued after costumes have been ordered.** If for some reason a dancer drops out of a class before fulfilling the year commitment, costumes become the property of Casali School of Dance to be used for a replacement dancer for the class Recital number.
